Incorporated in 1988 as a non-profit/tax exempt historic preservation organization, P.E.C. presents a year-round, multidisciplinary arts and humanities program. P.E.C.'s mission is to enhance the considerable cultural resources of Eatonville, Florida, which is "the oldest incorporated African American municipality in the United States" and the hometown of writer, folklorist, and anthropologist Zora Neale Hurston; to educate the public about Eatonville's historic and cultural significance; and to use the community's heritage and cultural vibrancy for its economic development.

DIRECTIONS: From I-4, take the Lee Road Exit. Turn left on Wymore Road (the first light east of I-4). Travel on Wymore until you reach Kennedy Blvd. (first traffic light). Turn right on Kennedy. The Hurston Museum is about 1/4 mile on the left-hand side, across from the library.
